

## TECHNICAL DATA SHEET: 435HM

Validity date: 01 March 2015

<ul> <li>Product Description:</li> <li>Technical Data:</li> </ul>	SATURATED HAVANA PAPER adhesive tape	
	Hot melt adhesive	
	Backing weight:	60 g/m <sup>2</sup>
	Total weight:	95 g/m <sup>2</sup>
	Adhesion to steel:	6 N/cm
	Tensile strength:	30 N/cm
	Elongation at break:	15 %
> Application:	Recommended for duty boxes with hand dispenser	
	Recommended for automatic carton sealing machines	
> Warning:	Protect from humidity – Use and store at temperature above 18°C according to FIFO (first in- first out) method  Use within 6 months from delivery	
Above mentioned technical data are valid also for the following versions:	D = back-side print
