

TECHNICAL DATA SHEET: **435HM**

Validity date: **01 March 2015**

➤ Product Description:	SATURATED HAVANA PAPER adhesive tape	
	Hot melt adhesive	
➤ Technical Data:	Backing weight:	60 g/m ²
	Total weight:	95 g/m ²
	Adhesion to steel:	6 N/cm
	Tensile strength:	30 N/cm
	Elongation at break:	15 %
➤ Application:	Recommended for duty boxes with hand dispenser	
	Recommended for automatic carton sealing machines	
➤ Warning:	Protect from humidity – Use and store at temperature above 18°C according to FIFO (first in- first out) method	
	Use within 6 months from delivery	
➤ Above mentioned technical data are valid also for the following versions:	D = back-side print
